IT'S TIME TO TAKE OWNERSHIP  
OF YOUR EMPLOYEE WELLBEING

# HOW TO TAKE OWNERSHIP? SIGN THE EVENTWELL MANIFESTO ON #EWD20

Sign our manifesto on the 26 February and then spend six months working with EventWell and Time to Change towards preparing your business to sign the Time to Change Employer Pledge during EventWellbeing Week in September 2020.

## By signing the EventWell Manifesto you are recognising that:

- Everyone has mental health! CEOs, leadership teams, team members. Mental ill health does not discriminate, therefore every organisation needs to stand up, tackle stigma, end discrimination, enforce positive culture, and prioritise mental health in the workplace.
- Event businesses and employers need to turn mental health awareness into positive action, and develop a 'whole organisation' approach to workplace mental health and wellbeing, by implementing the 'six core standards' as set out in the Government's Thriving at Work 2017 report.
- We need to treat mental and physical health equally in the workplace and at events, and strengthen how mental health is supported - every employee has a right to mental health first aid just as they do physical first aid..
- We need to build safer, diverse and inclusive workplaces and events that lead to happier and healthier working environments, where people feel free to bring their whole-selves to work.
